BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

NOTES—First Sheet.

General and Revenue Secretariat. | J.M. **File No.** 184 **of 1923**

Serial No.	
2	To the Meteorological Reporter to Govt " Comptroller to Govt. G. 14220-1 d/ 30-4-24 Sanctions the revision of the scale of the establishment of the Central Meteorological Observatory
3	From the Meteorological Reporter to Govt Letter no. 685 dated 19th May 1924. Submits an allocation statement showing how the existing officials of the Observatory are to be provided for in the revised scale.

(x Ht'L)

1 (~~67~~) Subd for perusal with refce to para 3 of the G.O. sanctioning the revision. Reasons for recommending the pay in each individual case have been set forth in pages 3 & 4 of the P.U.C., but the statement is incomplete as it does not furnish clearly the present permanent pay & apptd pay of the acting or sub pro tem appoints held by each. Draft calling for a revised statement is put up for appl.

25/7 T.S.R. 22-5

2 (~~70~~) No further information is necessary, I think. The Reporter's recommendations on behalf of Nos: 1, 2 & 3 may be accepted. No: 4 is on

NOTE—Contd. sheet.

Serial No.

furlough preparatory to retirement. There is therefore no need to give him more than what he gets ~~now~~ now. His pay may be fixed at Rs 66/- + 1 (personal allce). ~~Similarly~~ No: 5 may as S.P.T Senior Observer get Rs 60/-, being confirmed as Junior Observer on Rs 50/- in grade 30-2-50. He no doubt gets Rs 67/- now but I doubt if it is free from financial obj to give him, to start with, anything higher than the minimum in the S.P.T appointment. Nos: 6, 7 & 8 may be given Rs 46, 34 & 34 respectively. No: 9, a temporary hand, can get only Rs 30/- unless advance increments are given in view of the fact that he is getting Rs 35/- in which case he may be given Rs 34/-. No: 10 may be given 18/- in view of his long service.

5/7.

That he was appointed Sub Pro tem 4th Observer six years ago in October 1918 on Rs 60 in the vacancy caused by the transfer of Mr Gundappa to G-R.S as Sub Pro tem 1st Division Clerk.

That the pay of the appointment was raised to 67 in Sept.1921

That he has all along been doing good work and the Meteorological Reprter has recommended him for Rs 69 in grade 60-3-90

That Mr Venkatesa Iyengar has said in his Service Register "--------- has done his work to my entire satisfaction. He is an intelligent and capable officer."

That having been senior of the two balloon observers he is responsible in no small measure to the high appreciation by the Government of the upper air work done here (Communication dated Sept 1920)

That Mr Gundappa was confirmed in G. R. S, with effect from 8-8-1923 and that he should have been confirmed in the vacancy had the communication confirming him in G. R. S. was received in the Observatory before May 1924 when the Revision Proposals were received sanctioned by Government

The undersigned prays therefore that in view of the above his pay be fixed atleast at Rs. 50+17 P.A. He has drawn salary at Rs 60 for more than 3 years and is drawing at 67 for more than 33 months

Or that his pay be fixed at 69 as proposed by the Meteorological Reporter and that of Mr. Srinivasa Rao at 50+17 as he, M.V.S.Rao has been on long leave and ~~is~~ has been permitted to retire from Service from February next and as he has been a clerk and not an Observer throughout his service, if this involves no material loss to the retiring Official

The undersigned begs that his emoluments will in no case be reduced

V. Krishnappa,
Meteorological observer,

Office of the Meteorological Reporter to
MYSORE GOVERNMENT.

No. 685/Meteorological

Bangalore, dated the 19th May 1924.

From

C. SESHACHAR, ESQ., M. A., F. R. MET. SOC.,
METEOROLOGICAL REPORTER TO MYSORE GOVERNMENT,
BANGALORE.

To

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

G.M. 184-23-3

20 MAY 1924

G. D. REC

Sir,

With reference to Government Order No. G. 14220-1/G. M. 184-23-2 dated the 30th April 1924 sanctioning the revision of the scale of the Establishment of the Central Observatory, Bangalore and asking me to submit for the orders of Government an allocation statement showing how the existing officials are to be provided for in the --- revised scale, I have the honour to append an allocation statement. The reasons for recommending the pay which the various observers have to get are also noted.

the Chief observer has passed the Examination of the Madras University and has undergone a course of training in Physical Science in the B.A. class. He joined the -- Department in 1894 and has been doing very good work throughout his period of service. His promotion was delayed for a long time as he and the retired Chief observer were of nearly the same age. The work in Observatory has increased of late to meet the requirements of Government of India and the present Chief observer has to do more work than his predecessor. All the officers under whom he has served have spoken highly of his character and work. I strongly recommend that as a special case the Government may be pleased to grant him the --- maximum pay of the grade viz., Rs 140/- especially as he is superannuated and is now under extension of service.

2. Mr. T.V.Ramachandra Iyer is the only graduate on the Establishment and has put in 5 years of service. His work is quite statisfactory and he is always anxious to improve. He may be confirmed on the pay he has been now drawing viz., Rs 87/-. He has been drawing Rs 87/- since 1st July 1922.

3. Mr. B.I.L.Madhava Rao has put in 23 years of service and has passed the Sub-overseer's test of the Madras Technical Examinations. He may be given Rs 87/- in the revised grade so as to reduce his --- personal allowance to a minimum viz., Rs 5/-.

40

4. Mr. Y. Sreenevasa Rao is a Matriculate of the Madras University and has put in 29 years of service and his retirement is ordered in G.O. No. L.6245-6/A & E 128-23-4 dated 8-2-1924 with effect from 12-2-1925. His pay may be fixed at Rs 69/-.

2

5. Mr. V. Krishnayya has completed Mysore S.S.L.C. course and has put in nearly 10 years of service. He is an intelligent observer and is prompt in his work. His pay may be fixed at Rs 50/- as Junior observer and Rs 69/- as sub-pro-tem Senior observer as he has been --- drawing Rs 67/- since 1st October 1921.

6. Mr. B.S.Ramaswamy Iyengar has completed Mysore S.S.L.C. course and has put in nearly 9 years of service. He has been doing very good work and is thoroughly reliable. I strongly recommend that he may

may be given Rs 50/- in the grade 30-2-50, as he has been drawing Rs 48-6-5 as acting clerk for over one year, and as he is not likely to get into the Senior grade for a long time.

7. Mr. T.Raja Rao has completed Mysore S.S.L.C. course and has put in 4 years of service. His work is satisfactory. As he has completed 4 years of service, his pay may be fixed at Rs 38/-.

8. Mr. B.Radha Krishnan is a member of the backward community and has been working in this office since 17th July 1923. He has completed the S.S.L.C. course and also studied in the University Entrance class. He is now a sub-pro-tem observer on Rs 35/-. I am satisfied with his work; he may be confirmed on Rs 34/-.

9. Mr. V.Srinivasan is a temporary observer on Rs 35/- appointed during the absence of Mr. Y. Srinivasa Rao, Clerk. He is a member of the backward community and has completed the S.S.L.C. course. His acting allowance may be fixed at Rs 34/- as his present allowance is Rs 35/-. He is a smart and intelligent young man.

5

10. C. Hanuman Singh, Daffedar, has put in nearly 32 years of service and is 52 years old. He is intelligent, reliable and literate and his pay as daffedar and balloon maker may be fixed at Rs 18/- in the grade Rs 15-1-20.

In conclusion I solicit that Government may be pleased to pass early orders on the proposals submitted by me.

I have the honour to be,
Sir,
Your most obedient servant,

C. Seshachar
